Principal's Notes

Congratulations to our First Communicants this weekend and next weekend! We are looking forward to May Crowning this week for the eighth grade class and the first communicants.

St. Mary School is now certified as a Common Sense Digital Citizenship Certified School. Thank you to Mr. Gross for all of his work with our students on this program and for "giving students the foundational skills they need to compete and succeed in the 21st-century workplace and participate ethically in society at large."
