Principal's Notes

Our May Crowning Ceremony was absolutely beautiful. Our Eighth Graders and Second Graders had their buddy breakfast and enjoyed early dismissal.

PreK 3 and 4 students had their Mother's Day Tea and the preschoolers did a wonderful job of pampering their moms and enjoying a relaxing morning with them.

Friday, May 11th was the Kindergarten Round Up and Step up in other grades, where our students had the opportunity to meet their teachers for next year and learn about the grade they will be in.
